## A Case Of

learning. According to Michael Graves (2000), effective intentional vocabulary instruction includes: Teaching specific words (rich, robust instruction) to support understanding of texts containing those words.

### **Vocabulary Learning Strategies and Concepts :: Read ...**

Survey has several meanings, all of which come from Medieval Latin and Anglo words for looking over. As a noun, survey can mean a detailed study of something, but it also means a short summary with a broad view. A survey course gives an overview of a particular subject area, but doesn't make you an expert. Survey is also a verb. If you survey an area hit by an earthquake, you look closely at it to measure the damage.
