Ridiculous as this may sound, what motivated me to try a 3 day fast was hearing about the shit. I had yet to learn how extended fasting would help me live longer and healthier, so I'd never considered not eating for longer than 24 hours.. No, It was a story my sister's boyfriend told me about his own fasting experience that made me eager to try.

As the blood thins (for example when on a blood thinner) and travels throughout the veins, it actually hits the clot and can eventually break away enough to flow by it in some cases. The body can also accommodate for the damaged area by creating scar tissue and rerouting blood flow through or around the clot.
