There are so many artists out there, and I've been wanting to creating this list for a long time. Given how popular my 'Contemporary Black Artists You Should Know' post was, I finally sat down and created this list of Contemporary Female Artist You Should Know. This was quite the endeavor, and I know I will have left key individuals off by accident so I apologize in advance.

100 Contemporary Female Artists You Need to Know

Multi-genre artist with millions of streams. I've worked with Avicii, released on Spinnin', Ultra, & many more labels and artists. I'll write lyrics, top line & record vocals over your productions in ANY genre. I will make your song RADIO READY and take it to the next level!

Electric tongs and the new styling wand (the hairdryer and curler combo) enabled women to create big curls and lots of lift. Heated Carmen Rollers were available from 1965, making it easier to set and curl the hair at home, instead of having to go to the hairdressers.. Older women would not necessarily go for an ultra-fashionable modern style and may still have worn a version of the smaller ...

Paul McCarthy is widely considered to be one of the most influential and groundbreaking contemporary American artists. Born in 1945, and raised in Salt Lake City, Utah, he first established a multi-faceted artistic practice, which sought to break the limitations of painting by using unorthodox materials such as bodily fluids and food.
