How to sell your small business - CNBC

Sell your business After careful consideration, you may decide to sell your business. Sound planning can help ensure you cover all your bases. Use business valuation to set a monetary value before marketing to prospective buyers.

Close or sell your business

In deciding whether to sell the whole company or only a portion of it, you should first examine the overall value of your business and of each division. Lower-middle market companies (\$1 million - \$50 million in revenue) sell in pieces to extract the most value possible. You have two main options in selling a portion of your business:
