Politics And Politicians In American

This book is an attempt to examine these questions; it is also an examination of some of the greatest and most interesting American films ever made—westerns, gangster films, comedies, war films, satires, and film biographies—to see what American films say about politics and politicians, and what these films, in turn, say about the audience ...

Politics and Politicians in American Film: Gianos, Phillip ...

The United States Constitution is silent on the subject of political parties. The Founding Fathers did not originally intend for American politics to be partisan. In Federalist Papers No. 9 and No. 10, Alexander Hamilton and James Madison, respectively, wrote specifically about the dangers of domestic political factions.In addition, the first President of the United States, George Washington ...
