### Tanzanian Women Their Own Words

Throughout Tanzanian history, few customary laws have permitted women, who perform the bulk of agricultural labor in the country, to own land. While national laws have been modified to enable women to buy or inherit property, these changes challenge—and are often overruled at the local level—by customary laws.

### Culture of Tanzania - history, people, clothing ...

Since we began our series on Contested Truths over Covid-19 in Africa in March 2021, much has changed in African nations' responses to the pandemic (see Lee, Meek, and Katumusiime Mwine-Kyarimpa 2021). This is especially true in Tanzania, where I conduct my research. On the very day that our series introduction was published in Somatosphere—March 17, 2021—the Tanzanian President, John ...
